3D EVERYTHING

WORLD-SHAKING VISUALS, BROUGHT TO LIFE

ViewX Liber **15.6**

GLASSES-FREE 3D SPATIAL AI DISPLAY

3D Everything

USHER IN A NEW ERA OF IMMERSIVE EXPERIENCES.

ViewX leads the world in spatial intelligent display technology. Dedicated to the R&D and mass production of glasses-free 3D displays, we empower every consumer to experience the most authentic, dizziness-free 3D vision in the simplest way.

ViewX Liber 15.6

GLASSES-FREE 3D SPATIAL AI DISPLAY

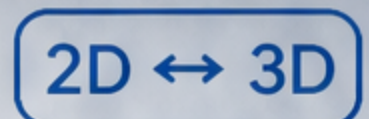

Lossless 2D
3840 x 2160

16.3mm
Ultra-thin Metal Body

180fps
Ultra-high Refresh Rate

One-Click 2D/3D Switching
Seamless 2D/3D Switching

BUILT-IN AI COMPUTING POWER FOR ZERO-OVERHEAD 3D EXPERIENCE

INDEPENDENT SOC CHIP ENABLING
REAL-TIME 2D TO 3D CONVERSION.

AI Built-in AI SoC
High-performance AI Chip

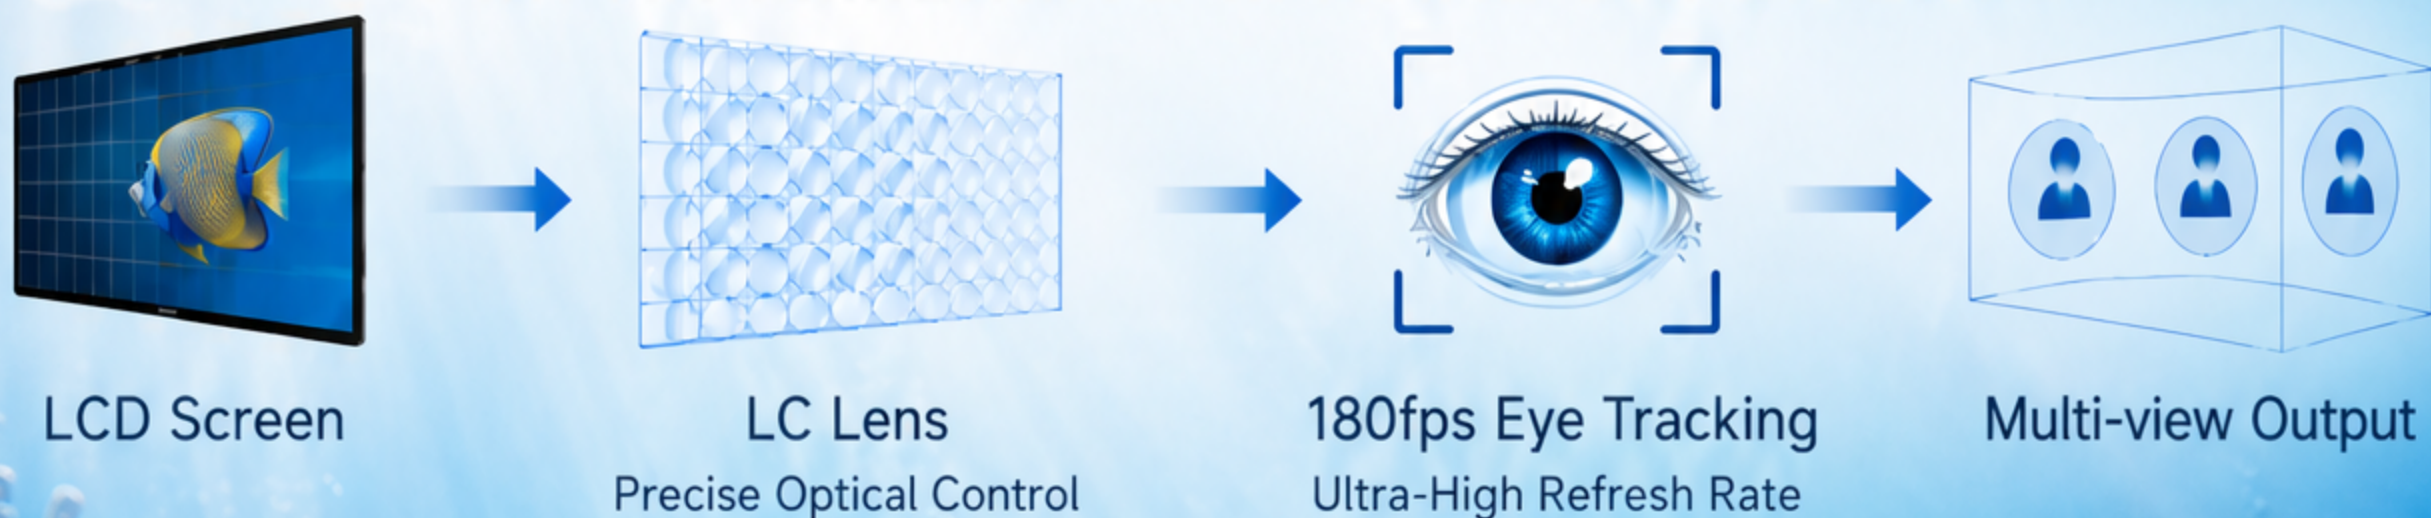

Zero CPU Usage
Zero Load, Zero Lag

Millisecond-level Latency
Real-Time, Smooth Viewing

Supports All Formats
Massive Content at Your Fingertips

GLASSES-FREE 3D TECHNOLOGY

LIQUID CRYSTAL LENS + AI EYE TRACKING
FOR AN IMMERSIVE SPATIAL EXPERIENCE

LC Lens
Precise Optical Control

180fps Eye Tracking
Ultra-High Refresh Rate

40° Viewing Angle
Optimal Viewing Angle

40-70cm Distance
Optimal Viewing Distance

Single-User Viewing
Exclusive Immersive Experience

Designed for single-user 3D experience. Displayed effects are simulations and for reference only.

4K ULTRA HD DISPLAY

PROFESSIONAL-GRADE COLOR, TRUE-TO-LIFE IN EVERY FRAME

3840 x 2160
TRUE LOSSLESS 2D

350 nit
HIGH BRIGHTNESS
DISPLAY

72% NTSC
100% sRGB
WIDE COLOR
GAMUT COVERAGE

IPS Panel
11-bit Color Depth

178° Viewing Angle
Wide Viewing Range

60Hz Refresh Rate
Smooth Display

25ms Response Time
Fast Response

PORTABLE DESIGN

SLIM, LIGHTWEIGHT & BOUNDLESS ON THE GO

15.6-inch Display

| Slim Body

| Integrated Stand

| Type-C Connection

VERSATILE SCENARIOS, UNLEASH CREATIVITY

Creative Design

Professional design to spark creative inspiration

Mobile Office

Efficient work anytime, anywhere

Entertainment

Immersive viewing with an exhilarating 3D experience

Education

Interactive and efficient online learning

STRATEGIC PARTNERSHIP

PORT CONNECTIVITY

COMPREHENSIVE PORTS, PLUG AND PLAY

- 1** **USB Type-C x 2**
Video Input + Power Supply
- 2** **Mini HDMI**
HD Video Input
- 3** **3.5mm Audio**
Headphone / Audio Output

- 4** **Plug and Play**
No Drivers Needed,
Quick Connection
- 5** **Multi-device Compatibility**
Mobile Phones /
Computers / Game Consoles
- 6** **OTG Functionality**
Expandable Peripherals

STABLE CONNECTION & EFFICIENT TRANSMISSION

ENSURING SEAMLESS PERFORMANCE FOR OFFICE WORK,
ENTERTAINMENT, AND CREATIVE PROJECTS.

TECHNICAL SPECIFICATIONS

PROFESSIONAL-GRADE DISPLAY,
PRECISE PRESENTATION

Display Performance

Screen Size	15.6 inches	Resolution	3840 × 2160 (4K UHD)
Panel Type	IPS	Brightness	350 nit
Color Gamut	72% NTSC / 100% sRGB	Contrast Ratio	1000:1
Refresh Rate	60Hz	Response Time	25ms

Glasses-free 3D Technology

3D Technology	LC Liquid Crystal Lens	Eye Tracking	180fps High-speed Tracking
Optimal Viewing Angle	40°	Optimal Viewing Distance	40-70cm
Number of Viewers	Single Viewer		

Interface Configuration

Type-C	× 2 (Video Input + Power Delivery)	Mini HDMI	× 1
Audio Jack	3.5mm × 1	OTG	Supported

Physical Parameters

Product Dimensions	356.7 × 216.8 × 16.3 mm	Weight	Approx. 1274g
Stand	Foldable All-in-one Stand	Material	Aluminum Alloy + Glass

Other Features

Viewing Angle / 2D Mode	178°	Power Source	Type-C Power Delivery
Plug and Play	No Drivers Required
